## Miscellaneous Reminders

- Please wait outside the school if you arrive before 7:30am; this allows teachers to settle in & ready the classroom for your child.
- Summer is upon us! Before arriving at school each morning, be sure to *cover your child in sunscreen*. We will reapply after nap.
- Please *lock the door* behind you when you enter or leave the school!
- *Check your child's cubby regularly* to confirm it is stocked with warm-weather clothing, including *rain shoes & hats*.
- Be sure to *sign your child in & out* each day. Not only is this process necessary for accountability, it is also important for educator-parent communication! Don't forget to peak at our daily diaries too.
- Please help your child *wash their hands* upon arrival each morning.
