

## Hayden's 3rd Birthday: A Dinosaur Celebration!

6 October 2017

Hayden's special day started off with dinosaur books galore, stuffed animal dinosaurs, plastic dinos in green playdoh, and a large dinosaur puzzle to complete. A top-secret gift was made by several children out of cardboard and square collage papers: a stegosaurus! At lunchtime, Hayden worked hard blowing out his candle (Garrett helped out in the end). After nap, Hayden's family came to celebrate with an amazing dinosaur-shaped snack, dino masks, and Hayden's mommy read interesting dinosaur books. Happy 3rd Birthday, Hayden!
