

## Bastian's 3rd Birthday Celebration: Airplane Day!

3 May 2018

Bastian's family wanted to celebrate his summer birthday (June 16) a little early to be sure that all his friends were here.

So today we had a day about airplanes since he loves them so much! Several children worked on an airplane gift complete with Bastian as pilot and six of his friends looking out the plane windows. His mommy, Leah, made yummy banana cupcakes. We read books about airplanes, and Charletra made paper airplanes.

We also played one of Bastian's favorite songs, *Leaving on a Jet Plane*, written by John Denver but most famously sang by Peter, Paul, and Mary.
