

## Lucas' 3rd Birthday Celebration: A Puzzle Party!

24 January 2017

Lucas and his family gifted a firetruck puzzle to the classroom in honor of his birthday, and many children worked together to complete it. There was also a puzzle where the children had to match together the top, middle, and bottom of an animal. In the days before Lucas' birthday, we worked on a gift for Lucas: his very own puzzle made by us!

Lucas' mommy, Becky, surprised Lucas by joining us for lunch. She brought yummy mini blueberry muffins as a birthday treat! Many children surrounded Lucas with anticipation as he opened his gift. We think he was happy to receive a homemade puzzle! Lucas kept his batman costume on the whole day, as always, lifting his mask only to eat, blow out his birthday candle, and take a nap. Happy 3rd Birthday, Lucas!
