

# Michael's 3rd Birthday: A Truck Day!

The children worked on making Michael his very own truck for his birthday. When he opened his gift, Michael looked so pleased to find himself driving the truck! We had a great day playing with trucks big and small, painting cardboard rolls, and we even got to see a large green trash truck go by outside. Michael enjoyed blowing out his birthday candle at the end of lunchtime.

## Happy 3rd Birthday, Michael!
