

Mystery Reader 23 August 2017

Hayden's Uncle Will and his girlfriend, Jemma, came to The Green Room today to read the children some books. He read a book from his own childhood about a squiggly caterpillar, one about airplanes, and another about a lizard that grows and grows. Thank you for visiting, Will & Jemma!

“It was an egg! And it was unlike any egg Leonard had seen before.”

*excerpt from *Lizard from the Park* by Mark Pett
