

Nora's
3rd
Birthday:
A
Princess
Party!

27 February 2018

Since Nora loves to dress up almost every day as Elsa or Moana, a princess birthday celebration was in order. The children made Nora the gift of a princess doll and worked hard gluing her together. Nora's mommy, Beth, came and read wonderful books to the class. Some children painted wooden beads to make necklaces after they dried.

Happy 3rd Birthday, Nora!
