

Baking Cherry "Flapjacks" - 1/19/2016 Today Adele, Helena, & Violet revisited the art of baking with a new recipe: "flapjacks." The children measured, poured, & stirred like professionals while being mindful of who's turn it was to do what. It's clear the girls' confidence in the languages of food & baking has grown since our multiple experiences with muffin making. Cinnamon seemed to be their favorite ingredient today; after Adele commented on it's texture, everyone stopped to feel the "cloud"-like spice.
