

Sibling Walk: Adele + Ruby with Helena + Preston
August 14th, 2015

On this sweet summer morning two sets of Nest siblings embarked on a neighborhood walk together. In addition to the walk being a fun & calming experience, it was a unique opportunity for new classmates Adele & Helena to bond over their shared role of “the big sister.” The girls picked flowers & rosemary for their siblings & made sure the path was clear for the stroller. They also enjoyed big kid things such as “fixing” the stroller’s wheel, exploring the passing flora, & climbing gnarly tree roots while Preston & Ruby relaxed & observed.
