"Spaghetti Dinner with Meatballs All Around"
by Lila Corrigan,

Nine Nest educators are embarking on a **Study Tour of the municipal early childhood schools of Reggio Emilia, Italy** in May to participate in invaluable professional development. This is the foundational pedagogy on which our own school is built so *it is imperative for us to be in dialogue with the source of our inspiration!*

The Nest must fundraise to offset the program, lodging, & travel costs of participating educators.

YOU'RE INVITED...
