

# Tashi's "Spooky" 4th Birthday! + Halloween Parade October 31st, 2017

Margaret & Ruby created a birthday crown for Tashi with Kalei using wire, glitter hot glue, beads, & iridescent ribbon. Before the parade Tashi's mother Smita read *The Little Old Lady Who Wasn't Afraid of Anything* at Meeting. When we returned she passed out blueberry muffins & we sang "happy birthday" while Rachel set the crown on a very surprised Tashi. After blowing out her birthday candle Tashi cuddled up with friends & said "Thank you for my birthday crown!"
